FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would allow the governing body of a public hospital or a related organization of the hospital to close portions of records and meetings that it manages or controls which relate to: (1) the payment amounts and payment methodologies of its contract proposals to and contracts with a health carrier or a self-insured health plan; (2) the discussion and analysis related to the development and expansion of new or existing facilities or entering into service arrangements or other agreements; and (3) the amount of compensation that would be paid to a physician under the public hospital's or related organization's contract proposals to and contracts with physicians. All records closed according to the proposal would be disclosed pursuant to a lawful subpoena. All other public hospital records are governed by public record laws.

DESCRIPTION (continued)

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
